Education

B.B.A. Management, Regional University (Expected May 2025)

GPA: 3.70, Honors

Relevant Coursework, Operations Management, Strategy, Organizational Behavior, Finance ()

Experience

Operations Intern — LogiCorp | Jun 2024 - Aug 2024

- Analyzed warehouse layout and implemented process changes reducing order fulfillment delays by 18%.
- Built Excel dashboards tracking KPIs used by supervisors to prioritize fixes; trained staff on dashboard usage.
- Coordinated with suppliers to resolve bottlenecks and supported a pilot that reduced stockouts 22%.

Team Lead — Consulting Club — Regional University | Sep 2023 - Present

- Led 5-member team delivering pro-bono consulting for 3 local SMEs; recommendations increased client efficiency by ~10%.
- Conducted market research and built a 3-year financial forecast for a startup client used in investor outreach.

Retail Shift Supervisor — CornerMart | Jun 2022 - Aug 2023

- Supervised shifts, managed cash reconciliation, and implemented a restocking schedule that decreased stock discrepancies 15%.
- Trained 8 new hires and scheduled staff to meet peak demand.

Student Ambassador — Admissions Office | Sep 2021 - May 2022

- Represented the university in outreach sessions and helped onboard 150+ prospective students during campus tours.

Projects

Process Improvement for Café — Lean, Value Stream Mapping

- Conducted time-motion study and proposed staffing changes that cut average service time by 25%.

Strategic Plan for Startup — Market Research, Financial Modeling

- Developed go-to-market strategy and 3-year P&L used in seed discussions.

Case Competition — Operations Track — Financial Modeling, Presentation

- Placed top 5 regionally with a model addressing supply chain resilience for mid-sized retailers.
